# Woodford Post 67 Newsletter

Oct. – Dec.

## Commanders Notes:

Where do I begin? We've been busy and we continue to be. In the past few months, we have donated nearly \$8,000 to the various fire departments in Woodford County for thermal imaging cameras, donated American flags for every classroom in the Middle School, and helped with the POW/MIA ceremony white table event. Thank you to everyone that helped pull these events off. We just wrapped up twilight festival and it was a HUGE success, again thank you to the everyone for your help! We have some big events coming up, our inaugural Legion Crawl on Oct. 7<sup>th</sup>, Early Bird dinner on October 21<sup>st</sup> at 6pm, our John McKinney Veterans Day fish fry on Veterans Day and the 50/50 drawing that night, and many other events!!! Please check the website, we update it almost daily! The website is [woodfordpost67.com](http://woodfordpost67.com) and is a Very useful tool for all of us.

By now I hope you have seen updates on our website and social media pages about the mural that Stephen Sawyer is painting on our building, if not you need to check it out. We are currently fundraising for this project by selling faces on the mural. If you know someone that served honorably and is a Woodford County veteran a face is \$2,500. We are accepting any and all donations at this time. Please help us get the word out about this project.

Saying thank you doesn't seem to be enough for everything our officers and volunteers do, but THANK YOU for everything!!!

And by the way, our Post turned 100 this year!!! We were recognized by National in November of 1924.
